Environmental Management System Certificate **ISO 14001:2015**

We certify that the Environmental Management System of the Organization:

EGICON S.r.l.

is in compliance with the Standard UNI EN ISO 14001:2015 for the following products/services:

Design, development and manufacturing of HW and SW parts - by customer specification - of electronics devices and control units for automotive, industrial and biomedical products, through:

- SMT (Surface Mount Technology) assembling process
- THT (Through the Hole Technology) assembling Process
- Mechanical assembling and resin addition process
- EOL functional testing process

Management System Certification
Division Manager
Stefano Bertoncini

The maintaining of the certification is subject to annual surveillance and dependent on the observance of Kiwa Cermet Italia contractual requirements.

This certification has been granted in compliance with the Accredia technical regulation RT-09

This certificate is composed of 2 pag. The following technical datasheet provides details concerning the scope of certification.

EGICON S.r.l. **Registered Headquarters**

Via Posta Vecchia, 36 41037 Mirandola (MO) Italia
